

**E-Z**

washes clothes pure white, without rubbing  
will not injure the most delicate fabric  
contains nothing that will harm the hands  
is unequalled for its cleansing properties  
removes perspiration stains almost instantly

**E-Z****E-Z**

Wash-Day Tablets are the greatest discovery for washing clothes since soap was invented. It is a combination of nature's elements and does the work quickly and perfectly; and harms nothing but dirt. This product, unlike all others, contains no wax paraffin, lime, lye, acid, potash or other injurious chemicals

like all good things, has imitators—look out for them, they only disappoint.

**E-Z****E-Z****WASH DAY TABLETS, The Housewife's Friend**

washes clothes spotlessly clean and makes them white as snow, in from ten to fifteen minutes; absolutely without rubbing. No bluing needed, as it whitens.

Full Directions Enclosed. Enough for Six Family Washings.  
Price 25c 12 E-Z Tablets

**E-Z****E-Z****WASH-DAY TABLETS**

Manufactured by  
**C. W. WARD, Ogden, Utah**

If your grocer does not have them, we will prepay postage to any address on receipt of 25c a package.

**E-Z****E Z WASH DAY TABLETS**

A tablet which makes wash day a play day. Washes dirtiest clothes in a few minutes absolutely without rubbing. Makes the hands soft and white. Positively harmless to everything but dirt. Women are astounded at the results. Its action is simply miraculous and amazing.

THIS MARVELOUS PREPARATION is composed of NATURE'S GREATEST CLEANSING ELEMENTS and is the result of many years of scientific research to discover something superior to the old time washing preparations containing Paraffin Wax, Lye, Lime and Potash and other injurious chemicals, and the result is E Z—a product entirely different from all other washing products. This Washing Tablet is so harmless and pure that it can be taken into the stomach without the slightest injury, yet it is the most powerful of Cleansing Agents. Abolishes forever the rubbing of clothes. All Washing Ideas Revolutionized. It works wonders. It is truly the World's Greatest Washing Discovery—Saves Soap, Saves Clothes—it does the work in one-third the time that is required by the old washboard, washing machine way. No toil—no muss—it abolishes forever washday unpleasantness, with its back-breaking, nerve-torturing toil, ruined, bruised, disfigured hands, aching, tired muscles and nerves.

E Z WASH DAY TABLETS will positively:

Wash clothes spotlessly clean and make them as white as snow in from 10 to 15 minutes ABSOLUTELY WITHOUT RUBBING. No bluing is needed, as it whitens.

Improves bath water.

NOT INJURE the most delicate fabrics and make your clothes wear twice as long.

Will wash pots, pans, sinks, bath and woodwork, linoleum—in fact everything in the home, in a manner that is astonishing.

Will remove perspiration, ink, blood and fruit stains from your clothing without injury—and is the ONLY product of the kind that will do this.

Will make your hands white and soft—showing its harmlessness and purity.

We ask that you buy one package from your dealer and satisfy yourself as to the truth of our claims. It will save you three-fourths of your housework and drudgery and if you use it once you will never again keep house without it. Each package contains 12 tablets, sufficient for six family washings, and sells for 25 cents. E Z is sold by all live grocers.

If you will not purchase a package, be kind enough to send us your name and address and we will send you a sample free.

ALL GOOD THINGS ARE IMITATED—look out for them. There is only one E Z WASH DAY TABLET—don't accept a substitute "just as good"—for there is nothing that can take its place.

**PLANKS TO BE USED  
AND WATER LINE  
REPAIRED**

Permission was given to the Ogden Union Railway & Depot company by the city commission this morning to place wooden planks alongside the rails of the tracks of the company on the intersection of Wall avenue and Twenty-second street instead of paving at the present time. The placing of the planks will be only a temporary measure until a definite plan for providing a track bed that will not swell and break the surface during the winter and spring.

The matter was brought to the attention of the board of commissioners by Superintendent H. L. Bell. It was referred to the city engineer with instructions to permit the laying of the planking in a proper manner. Superintendent Bell was also asked by the city commission to make provision for permanent repair to the water main of the company on Twenty-sixth street, this line being in such bad condition that there are many breaks which cause considerable trouble to the street department. Mr. Bell promised to have the matter attended to very soon.

**SALT LAKE WOMEN  
TO BE ENTERTAINED  
ON SATURDAY**

The women's division of the Weber County Council of Defense, with Mrs. H. H. Spencer as chairman, which is at present making plans for the Victory loan drive in the county, will be visited by the state chairman, Mrs. Mont Perry and her committee, Mrs. Adams, Mrs. Gorman and Mrs. Lyman of Salt Lake City, on next Saturday, at 1 o'clock, in the Episcopal Guild hall on Twenty-fourth street and Grant avenue, there will be a nicely appointed luncheon given for Mrs. Perry and her committee ladies, and at 2:30 o'clock Mrs. Perry will give an address.

Ogden ladies wishing to attend the luncheon and meeting are asked to call Mrs. H. H. Spencer, phone 226, before Saturday.

"The lawyers are lying in that case."  
"You surprise me. I thought there would be tall lying on both sides."

**INITIATION WILL  
INCLUDE SIXTY**

Installation will be held tonight by the B. P. O. Elks, Ogden lodge, No. 719, at which time P. F. Kirkendall, who succeeds himself, will be installed as exalted ruler of the order. Besides the installation there will also be the initiation of a large class of candidates, the largest class in the history of the local lodge, the number to become members tonight being sixty, all ready for a ride on the "goat".

While no secrets of the order are ever given out, it is intimated that the said "goat" has been kept under heavy feed and good exercise for some time and that he is now hard as nails and in the pink of condition. It is also announced by members

of the lodge that any new member who becomes so excited that he will stand in the lower hall and attempt to feed the stuffed cub bear from his part of the banquet will be compelled to take an extra ride on the "goat" after the animal has been goaded for half an hour to make him furious.

Following are the new officers who will be installed tonight:  
P. F. Kirkendall, exalted ruler; Royal J. Douglas, esteemed leading knight; Arthur Woolley, esteemed lecturing knight; W. T. Greenwell, secretary; Herbert W. Hinley, treasurer; Joseph Willett, tiller; W. C. Camp, trustee; P. F. Kirkendall, representative to the grand lodge; W. C. Camp, alternate representative to the grand lodge.

**BONUS IS RECEIVED  
BY MANY OF THE  
SOLDIER BOYS**

Men who sent in their applications for the \$60 bonus allowed to soldiers, sailors and marines of the great war are reported by the Red Cross to be receiving them already.

At the Red Cross headquarters, it was stated this morning, that a number of the men have reported receipt of their money. The excess railroad fare which is due to those who were rustered out when the allowance was 2½ cents a mile is not being paid as yet and no instructions have been given out as to how to proceed to get it. This information is expected soon by the Red Cross.

Some of the men are waiting for instructions as to excess railroad fare before sending in their application for the bonus. This is a mistake, say the Red Cross representatives, as it is more than probable that the two applications will be addressed to different bureaus and cannot be depended upon to receive the same expeditious treatment from each.

All those who are now entitled to receive the bonus are advised to send in the application at once and let the excess railroad fare come later.

**MAY LECTURE ON THE  
MIND AND EFFECT  
OF FEAR**

A lecture, which is expected to prove interesting to Ogden people—and which will be free to the public, on the subject of Christian Science, will be delivered Thursday evening, at 8 o'clock in the Woodmen Hall, 4320 Washington avenue, by John Randall Dunn, C. S., a member of the board of lecturership of the Mother Church, the First Church of Christ, Scientist, Boston, Massachusetts.

This lecture is announced by the Ogden Church of Christ, Scientist. While it is not announced just what particular phase of Christian Science will be taken up by the lecturer, it is believed that he will probably make some mention of the influenza epidemic, or as the Scientists would call it, the so-called epidemic, and will probably explain the attitude taken by the Scientists on the subject and why they consider it as having a purely mental cause, being based chiefly in fear, according to their belief. It is said by the Scientists that the epidemic of influenza—and they class all diseases in the same category—is only thought objectified on the human body and is as much a mental disease as is any form of mental derangement.

**CHINAMAN DECLARED  
BY DOCTORS TO  
BE SANE**

Sing Lee, the Chinese cook, who was arrested ten days ago upon the charge of attempting to act as escort for a girl walking along the street, was examined for his sanity this morning and ordered released from custody.

The examination was conducted by Drs. G. W. Baker and W. R. Brown, who decided that the Celestial was suffering from overindulgence in yenshee or some other opiate. Lee appeared perfectly sane today and answered the questions put to him in a rational manner. He was released from the county jail at 1 o'clock, with a warning regarding the use of the drug that produces the mental disturbance.

**ELKS ARE IN FAVOR  
OF LOCAL BOND  
ISSUES**

A strong endorsement of the city bonds to provide for the city and county building, the Third ward sewer and several other things that are urgently needed, as well as the bonds asked to be voted by the school board on the same day, April 16th, is given by the B. P. O. Elks, Lodge No. 719 of Ogden.

The Elks order urges all loyal citizens of Ogden, who have the interest of the community at heart and who wish to see Ogden rank with other progressive cities of its size, to turn out on April 16th and vote for the city bonds and also for the school bonds.

Following is an editorial contained in the April number of "The Boosterette," the official organ of the Ogden lodge of Elks:

Civic Improvement Bonds. As loyal Elks, as patriotic citizens, with unbounded pride in the advancement of our community, it is our duty from now until the day of the city and county bond election, April 16, to persuade, with all the logic and eloquence that we possess, every taxpayer, whom it is possible for us to meet and talk with, to cast his vote in favor of the bonds. Let our slogan from now on be, "Civic Pride, Patriotism, Progress and Prosperity." Let us assist with all our might to cast off the lethargic indifference to our natural advantages and resources that hitherto has retarded the growth of Ogden City and Weber county and prevented us from achieving the dignity of being classed among the most progressive communities of this state. We need the city and county building and other public improvements that these bonds will enable us to construct, not only for our convenience and comfort, but as examples of our faith in the claim we have often made that here within the confines of a few square miles lie opportunities which, if taken advantage of, will make this city and county one of the most desirable places west of the Rockies for the home-seeker. We might split our lungs crying out our advantages and our public enterprise, but it would profit us nothing so long as the concrete evidence of our sincerity is lacking. Besides, our returning soldiers need the work.

**WORLD'S MARKETS**

NEW YORK, April 1.—Shipping and leather shares which featured yesterday later dealings contributed to the firm opening of today's stock market, gaining 1 to 1½ points. Popular equipments and distilling issues also made further progress but motor, oil and food shares were moderately reactionary. Corn Products losing a point. United States Steel eased slightly at the outset but rallied on the strength of affiliated steels and Baldwin Locomotive. Ralls were rarely quoted and little change in the first half hour.

Industrial Alcohol's five point rise during the morning coincided with a statement attributed to an official of the company which claimed the patent rights for a new fuel. Shipping, especially Atlantic Gulf, extended their advances, also steels and equipments. Further inquiry was noted for California Packing, American Can, American Smelting and the metal group, oils coming forward at noon. The one noteworthy movement among rails was an advance of 45 points in a sale of one full lot of Texas and Pacific Land Trust certificates.

Relaxed money rates favored the early rise of the early afternoon. Industrial Alcohol increased its gain to 6½ points and oils and coppers became more active at 1 to 2½ point advances, rails also hardening under lead of Pacific and grangers.

CHICAGO LIVESTOCK  
CHICAGO, April 1. (United States Bureau of Markets)—Hogs—Receipts 20,000; market mostly 15 to 25c higher than yesterday's average, bulk of sales \$19.85@20.00; top \$20.10; heavy weight \$19.90@20.10; medium weight \$19.75@20.00; light weight \$19.25@20.00; light light \$18.00@19.60; sows \$17.50@19.25; pigs \$17.00@18.25.

**CHIROPRACTIC  
ADJUSTMENTS**

Apply to EVERY ORGAN of the BODY

BECAUSE:—

Every organ and part is connected with the brain by spinal nerves. If Pressure at the spine, upon the nerve to the arm causes arm trouble, the same kind of pressure upon the nerve to the stomach will cause stomach trouble.

And this principle applies to every organ and part of the body. For every effect there positively must exist a cause. Sickness is an effect: nerve pressure at the spine produced by a misaligned vertebra is the cause.

Chiropractic adjusts this cause: Nature heals you.
